

HOMEOPATHY DURING PREGNANCY & BIRTH

Homeopathy is a Safe, Effective & Scientifically Based System of healing which is safe to use when Mums & Babies are most vulnerable to the side effects from conventional medicines.

STAGE 1: (Suits 'Mum's To Be' as well as Health Professionals)

- Morning Sickness
- Anaemia
- Vaginitis
- Breast & Milk Problems
- Post Birth Remedies
- Post Natal Depression

STAGE 2:

- Pre-eclampsia
- Difficult Presentation
- Haemorrhage
- Labour: All Aspects
- Newborn Difficulties
- Retained Placenta
- Mental & Emotional States
- Remedy/Potency Selection & Administration

This Course will benefit Hospital & Independent Midwives, Doctors & Obstetricians, Homeopathic Students & Practitioners, Birth Support People & others interested in using Homeopathy peri-natally.

For specific knowledge of the Scope of Homeopathy & Remedies available to assist during Pregnancy & Childbirth & to be able to give appropriate support & information to your clients.

**BECOME COMFORTABLE & CONFIDENT WITH YOUR REMEDIES AND
KNOW WHEN, WHERE & HOW TO ADMINISTER THEM**
